Intercollegiate athletics

126 Mitchell Hall

www.uwlathletics.com (<http://www.uwlathletics.com>)

The University of Wisconsin-La Crosse has a longstanding commitment to excellence in both the academic and physical development of its students, as memorialized in the university's seal, which is emblazoned with the phrase "*mens corpusque*" ("mind and body"). The intercollegiate athletics program sponsors 21 sports competing as a member of the National Collegiate Athletic Association (NCAA) Division III, the National Collegiate Gymnastics Association (NCGA), and the Wisconsin Intercollegiate Athletic Conference (WIAC). UW-La Crosse's rich history in intercollegiate athletics is highlighted by 74 national championships, 438 conference championships, and thousands of All-American

performers. Just as importantly, UW-La Crosse's student-athletes have set a high bar in the classroom, with a cumulative GPA that consistently ranks as the highest in the WIAC and, for 21 out of the last 22 years, has exceeded the GPA of UW-La Crosse's general student body. The nearly 600 student-athletes competing in UWL Athletics embody the program's mission: Building Champions. In Sport. In School. In Life.

UW-La Crosse Athletics is committed to equal opportunity for student-athletes and staff. The program offers 12 women's sports (basketball, cross country, golf, gymnastics, lacrosse, soccer, softball, swimming and diving, tennis, indoor and outdoor track and field, and volleyball) and nine men's sports (baseball, basketball, cross country, football, swimming and diving, tennis, indoor and outdoor track and field, and wrestling).

UWL Athletics is a member of the Division of Student Affairs and, as such, the director of athletics reports to the vice chancellor/dean of students. Two faculty athletics representatives provide academic oversight to the athletic program. In keeping with the campus commitment to shared governance, an Athletics Committee comprised of students, faculty, and staff monitors and advises the program on budgetary matters. A Student-Athlete Advisory Committee that includes representatives from every sport program meets regularly and consults with the program's leadership.

The program at UW La Crosse began in October 2009 and is housed in the Division of Diversity & Inclusion. The program considers students from all majors that would lead to a Ph.D. as the terminal degree.

The Department of Music welcomes all University students to participate in its performing organizations. Music ensembles function as part of the curriculum for our music majors and minors but non-music major students from all colleges and programs make up a large percentage of the participants in our ensembles. There are a variety of music ensembles available including: Orchestra, Wind Ensemble, Symphonic Band, Screaming Eagles Marching Band, Jazz Bands and combos, Concert Choir, Women's Chorus, Mannerchor, Chamber Choir, Vocal Jazz Choirs, Korean Percussion Ensemble, and various other chamber ensembles. The large ensembles regularly perform on tours within the state, nationally, and internationally. Auditions are required for admission and placement for some ensembles. Contact the Department of Music for details on audition dates, times, and repertoire. Also, for students who enjoy listening to music, the abundance of concerts presented by our ensembles throughout the academic year provide ample opportunities to attend a wide spectrum of musical events.

www.uwlax.edu/student-association (<http://www.uwlax.edu/student-association/>)

Chapter 36.09(5) of the Wisconsin State Statutes reads: "The students of each institution or campus shall have the right to organize themselves in a manner they determine and to select their representatives to participate in institutional governance." To exercise that right, the students have established the University of Wisconsin-La Crosse Student Association (UW-LSA) (<http://www.uwlax.edu/student-association/>). Each student enrolled at UWL is a member of the UW-LSA. The student government is divided into three branches: executive, legislative (Student Senate), and judicial. The executive and legislative branches are elected by the members of the UW-LSA each year. The judicial branch is appointed by the executive branch and approved by the legislative branch. The Student Association seeks to provide a student voice by advocating for student rights and responsibilities, fostering leadership, communicating student issues, and demonstrating respect for diversity in their actions.

Student-Faculty Committees

The Academic Initiatives Differential Allocation Committee (AIDAC) is responsible for the annual distribution of academic initiatives differential tuition money to programs which fall under one of four cornerstones: advising, research, internationalization and diversity. AIDAC is made

up of students, faculty and staff members who must determine how to allocate the budget so as to be the best advocates of student money through program presentations and budget deliberations.

The Segregated University Fee Allocation Committee (SUFAC) recommends to the Student Senate the manner in which funds collected by the university for support of student activities are to be distributed among eligible organizations. The committee also allocates funds to eligible groups for equipment and supplies, reviews requests for the Sustainability Fund, and makes recommendations to the Student Senate.

The Legislative Affairs Committee is responsible for encouraging student participation in voting and other events and maintaining the by-laws of the various Student Senate committees.

The Student Organizations Committee is responsible for recommendations to the Student Senate for general policies concerning Recognized Student Organizations. The committee reviews new Recognized Student Organization requests, bylaw and name changes for existing Recognized Student Organizations, and grants for non-budgeted organizations. The committee is also responsible for choosing commencement speakers and reviews requests for graduation regalia applications.

The Student Services and Buildings Committee recommends policy concerning services provided to students with regard to the Student Union, Recreational Eagle Center, Student Health Center, Campus Child Center, and Whitney Center. In addition, it is responsible for making recommendations to SUFAC for distribution of segregated fees for sport clubs, and student media.

The Marketing and Special Events Committee focuses on organizing and planning events sponsored by UW-LSA. With the help of the Executive Cabinet, the committee also aids in facilitating creative discussion on the best way for the group to positively impact the experience of UWL students.
